SHARE THE REWARDS OF OUR HISTORY

The Robert Stein Vineyard and Winery in Mudgee is a family owned and run business with a winegrowing lineage dating back to 1838 when Johann Stein brought the first cuttings of Rhine Riesling to survive in Australia.

Winemaker Jacob Stein is following the family tradition and has produced numerous highly awarded wines from the vineyards that were planted in 1976, as well as being a finalist in the 2010 Wine Society's Australian and New Zealand Young Winemaker of the Year Award.

"I'm proud to be part of our family's winemaking history and this new wine club means it's even easier for our customers to purchase their favourites and try new releases"
